MEDINA BOY HUNTS HUNS IN FRANCE

Private George Howard, well-known Medina boy, now in France, writes the following cheerful letter to his friend, Wm. Lanphear:

France, Sept. 18, 1918.

Dear Bill:

Well, how is the coon dog business this fall, or are you out of it? I suppose by this time you have been out and located several dens of young ones. I sure would like to be back there this fall to go out a few times but I have got bigger game here to hunt, and just a few days ago we made a big catch. The season for Dutch opened the 12th and lasted until the night of the 14th for me, and we hunted all three days.

You surely have read about the big drive that started the 12th. Well, that was my first time in the front lines and we sure did go some. I wish I had about four good coon dogs to turn loose in the woods of France and see what they would tree. They have all kinds of wild boar and porcupines and I don't know what else.

Since I landed in France I have been over most of it either by train or on foot, but like the good old U. S. A. just a little better. Am sitting on a big tree that a shell cut down, and there are six or seven airplanes going over. I wish you could be here for a few days and look around this part of the country. I think then you would say it is no place for a minister's son.

I don't think this thing can last much longer and hope no more of the boys from there have to come over, because there is no fun about it. It don't sound good to hear those big guns and machine guns turned on you and all around you.

Well Bill, don't forget to write and tell me about some of your coon hunts this fall, and I will tell you about some of my hunts over here. I will cut this, hoping you have good luck, I am, Your friend,

Pvt. George Howard, Co. A, 103rd U. S. Inf. American E. F.

without manifest injury thereto, otherwise that it be sold and the proceeds divided equitably. F. W. Woods, attorney for plaintiff.

OHIO LEADS IN THRIFT

Ohio leads all other states both in total sales of war savings stamps and in per capita sales, according to a statement given out by the United States treasury department Monday. September sales in Ohio totaled \$11,885,912, or \$2.50 per capita.

New York was second with a total of \$6,778,184, or a per capita of 63 cents.

Total Ohio sales to Sept. 30 were \$66,730,409. New York was second with \$61,183,343.

Twenty-five Ohio counties already have exceeded their quotas and forty others are in sight of their allotment of \$20 per capita. The Ohio war savings committee is confident the state will reach its quota by Dec. 31.

FLU HITS C. S. & C. RECEIPTS

The flu epidemic has hit the receipts of the Cleveland & Southwestern hard. Train crews that before turned in \$50 to \$60 from runs now turn in about one-fourth of those amounts. On the main line west of Seville the effect has been most noticeable by far.

GEORGE STARR

Democratic Candidate

for

COUNTY TREASURER

I am a candidate for County Treasurer. I entered my name only after Republican and Democratic friends had come to me and urged me to become a candidate. I listened to their solicitation and, having listened, finally consented. I now have the very natural desire to win. I cannot meet you personally, however much one enjoys a personal canvass. These are War Times. Neither your work or mine permits time for handshaking. I depend upon these few written words therefore, to state my case.

I was born in Medina County, Ohio. I am 55 years old and own and operate a 200-acre farm on which I have lived for the last 50 years. I have served York Township 11 years as Township Trustee and Medina County 4 years as County Commissioner. I simply mention these facts for what they may be worth, thanking not only the members of my own party, but also the non-partisan voters of a township and county normally claimed Republican, for my past opportunities in public service, and permitting them to compare and judge my principles and methods both in private business and public work.

I naturally seek the office for its honor, and in return for that honor, my sole desire would be to reward you with faithful service. It has always been my ambition to exercise efficiency, economy and courtesy at all times, and if from my life among you, you believe me qualified for County Treasurer, I would greatly appreciate your support at the polls.

Sincerely submitted,
GEORGE STARR.

Replying to many inquiries on the subject, I desire to say that my present associates on the Appellate bench, Judges Dunlap and Lawrence, are capable men for their duties in all ways. Both are serving under appointment from the Governor and are candidates before the people for election to serve out their respective terms. I have found them uniformly able, industrious, courteous, coruageous and fitted both in acquirements and temperament for judicial work.

I trust it will not be thought inappropriate for one who knows both of them well, to make to voters who do not know them but who are entitled to the information, this simple statement of fact, in order that they may vote advisedly for faithful public service.
